3. Non-staff personnel print by HP for A0, will be charged NT\$300 dollars/sheet; students of LS print the first one for free with HP. IF someone needs to be printed the same poster for the second time, it costs 100 dollars/sheet. The money will be donated to National Central University.
4. The teachers of LS can print two cloth posters with Epson for free each year, but shout pay the fee for printing the third one within one year (A0 \$200 dollars/sheet), and the fee for posters printed by students (including other department staff) (A0 500 dollars/sheet).
